February News

2 Year Old Class

This month we will focus on emotions and how they look on our face. Throughout the month we will focus on the different emotions. We will finish out the month by learning about how to be a good friend.

3 & 4 Year Old Class

During the month of February, we will be focusing on the letters V, Z, X and D. We will start the month off working on many Valentine activities and end the month starting our Ocean theme.

Parent-Teacher Conferences

We will be holding parent-teacher conferences throughout the month for the 3- & 4-year-old class. Conferences will be held at times before and after school, so we don't need to miss an additional day of school. During this time, we will discuss the progress your child is making so far this year. We will also answer any questions or concerns you may have. Conferences should last only about 15 minutes so please make sure you show up at the time you sign up. If for some reason you are unable to make the conference, please let the teacher know as soon as possible so alternate arrangements can be made. A conference sign-up sheet will be emailed
